Kate was excited. Her fiance of 4 years just proposed. Wedding plans to make. She had to find exactly the most beautiful dress within her \$4,000 budget, locate a venue, pick out & send invitations and pick out a grand cake. She was well aware that her fiance would be no help, so she asked two of her best girl friends to help her plan.

Chapter 3 by SaintSayaka

It was strange, but if anything, her friends made the wedding planning process all the harder. Florists, bakers, and dress fitters gave them all strange looks, as if they didn't belong in a bridal fairytale, the theme of Kate's wedding. She tried to explain all of this and more to her soon-to-be groom, who did not offer any advice that made Kate feel better. He was a good man, of

Still, with or without her girl friends help, Kate knew she had to continue planning this wedding. She really wasn't fond of the idea to ask her mother and sister for help, because they would want to take over all the planning.

Finally she decided that it couldn't possibly go That badly with them....could it. Her mom Leslie is over protective and has tried to break up the relationship between Brad & Kate ever since they began dating. Ever since Kate got her engagement ring, Leslie seems to let up.

Her sister Judy used to date Brad but he broke up with her for Kate. Both mother and sister said they would help.

Chapter 5 by Unkie

This morning was wedding dress day, so Kate, Leslie, and Judy were off to The Wedding Bridal Shop. This was more than just a shop, it was more like a mini mall with not only dresses for the bride and her maids, but for the flower girl also. There were sections for cologne, shoes, intimates, and on & on.

The sales lady led kate's group into the dress room to pick out her Bridal dress first. Kate tried on several dresses before shoe found "the One". She was so excited to show it to her family. When she strolled out, her sister gasped "that's exactly the dress I picked out for my wedding until you stole Brad from me !! OK.....well... back to the drawing board. Eventually she found her second choice to which Kate said Yes To The Dress!

Next they went into the maids room. Leslie wanted the girls to wear ugly chartreuse dresses, while Judy kept selecting dresses that were so glamorous that they overpowered the brides dress.

Kate was so upset, but tried to keep a stiff upper lip. She finally made it through that fiasco and took mom and sis home. When she got home, she made a drink.

Chapter 6 by Jannie Rae

She got an idea. " I'll call Brad tomorrow and see what he thinks of eloping to Las Vegas".
